

How to use Sizzles Utilities

Sizzles Utilities is a software for Microsoft Windows that gives you shortcuts to make life easier for you, in a few different ways, keep reading on what these Utilities are and how to use them.

1. The first utility and one of the most useful is Text-Shortcut. Text-shortcut was created to make typing faster and more efficient, and it uses simple abbreviations and turns them into full words.

Brb means Be Right Back and using Text-Shortcut if you type brb and press space, it becomes be right back, there are numerous different abbreviations programmed in, the list is below.

brb::be right back

afk::away from keyboard
